Meals served through these programs meet nutritional standards set forth by the U.S. Department of Agriculture.

If your income is less than or equal to the following guidelines you are eligible for free or reduced-price meals. These guidelines are effective 1 July 2024 through 30 June 2025. You must submit a free and reduced-price meal benefit application by: applying online at www.schoolcafe.com/anchorage or request a paper application from the front office of your child's school. Paper applications must be filled out completely and returned to the front office.

If you have children who are approved for Supplemental Nutrition Assistance Program (SNAP) formerly known as Food Stamps, Temporary Assistance for Needy Families (TANF) or Food Distribution Program on Indian Reservations (FDPIR), they are automatically eligible to receive free meals by filing an application that includes their assistance number from one of those programs.

Provision: Schools participating through Community Eligibility Provision (CEP) serve meals at no cost to all children.

Direct Certification: Children receiving SNAP, TANF, or FDPIR benefits will be automatically certified as eligible for free meals wherever possible; if you receive a letter from the SNAP, TANF, or FDPIR agency listing your children as eligible under these programs, you need not apply. Students who are migrant, homeless, or runaways may qualify for free or reduced meals, please contact Child in Transition (907) 742-3833 or Migrant Education (907) 742-4275 for program qualifications. Foster children receive free meals regardless of the income of the household with which they reside. Note: Medicaid and Denali Kid Care case numbers do not qualify for automatic eligibility.
